Who are the Gold Star Mothers and Gold Star Families?

American Gold Star Mothers and Families suffered the supreme sacrifice in the loss of their sons, daughters, and family members who served in the line of duty in the Armed Forces of the United States of America or its allies, or died as a result of injuries sustained in such service.

We as a nation will be forever grateful.

*"Go to sleep, peaceful sleep, May the soldier
or sailor, God keep. On the land or the deep,
Safe in sleep." - Verse from Taps*

than that of a Mother's Child" ~*

On June 4, 1928, a group of mothers met to organize a national organization now known as the **American Gold Star Mothers**...the bravest of all women who have the unfortunate distinction of having lost a precious son or daughter while they served in the Armed Forces protecting us all and the freedom of our great country.

In our ongoing effort to recognize these "**Gold Stars**", a number of local dedicated motorcycle clubs, known as the Inter Clubs of Bucks and Montgomery Counties, have erected a **Gold Star Mothers Monument** in our area in Skippack on the grounds of the Blue Comet Motorcycle Club. The monument was paid for solely from donations from individuals, the proceeds from our annual picnic hosted by the Inter Clubs, and the generosity of caring businesses in our community.

We ask that you join us in our upcoming fundraising effort for this most worthy cause. Your generous donation will help raise funds that will not only be dedicated to the "**Gold Stars**" and their families, but will greatly help with our dream...the **Gold Star Mothers National Monument** at Arlington National Cemetery in Virginia. Please help us carry on the vision of our foundation.

You, your family, your friends are all cordially invited to attend our special event on June 9th at the Blue Comet Motorcycle Club to enjoy food, beverages and entertainment. A memorial service will honor the "**Gold Stars**" and there will be guest speakers to address their sacrifice for this country...their children. Hope to see you there!
